

Appendix D-9 Teaching and Office Space

Building No.	Floor	Room No.	Room Name	Category	Area(m ²)
Telecommunication Building	4	407	Department Office	Faculty office	40.0
Telecommunication Building	4	406	Department Head Office		40.0
Telecommunication Building	4	410	Department Office		40.0
Telecommunication Building	1	107	Boarding laboratory	Undergraduate Teaching	104.77
Telecommunication Building	2	203	Programmable Logic Control Laboratory		116.85
Telecommunication Building	3	314	Artificial intelligence lab		75.6
Telecommunication Building	3	319	One source joint laboratory between school and enterprise		67
Telecommunication Building	4	414	Simulation circuit laboratory 1		77.51
Telecommunication Building	4	418	Simulation circuit laboratory 2		77.47
Telecommunication Building	5	503	Mobile communication laboratory		71.4
Telecommunication Building	5	505	Microcomputer principle and microcontroller laboratory		72.31
Telecommunication Building	5	508	Intelligent robotics laboratory		77.15
Telecommunication Building	5	512	High frequency circuit analysis laboratory		71.73
Telecommunication Building	5	513	Circuit analysis laboratory		71.48
Telecommunication Building	5	514	Digital Electronics Technology Laboratory		72.25
Telecommunication Building	5	507	Graduate Studio	Comprehensive lab/ Graduate room/ Opening lab	34.35
Telecommunication Building	5	509	Graduate Studio		72.31
Telecommunication Building	5	511	Graduate Studio		121.31
Telecommunication Building	5	515	Graduate Studio		64.1
Telecommunication Building	4	408	Graduate Studio		102.16
Telecommunication Building	1	103	Comprehensive lab		90.0
Telecommunication Building	1	105	Comprehensive lab		60.0
Telecommunication Building	1	108	Comprehensive lab		90.0
